

## **Assistant Professor of Mathematics**

We invite applications for a tenure-track position at the Assistant Professor level to begin in September of 2010. This position involves carrying out a productive research program, effective teaching, and service to the Department, the University, and the profession.

Appointments are based on exceptional research contributions in mathematics. Outstanding candidates with research in any area of mathematics and with an interest and ability to collaborate across disciplines and units in the University are urged to apply.

Candidates must have a Ph.D., research experience, and supply evidence of effective teaching.

Northeastern University is an Equal Opportunity, Affirmative Action Educational Institution and Employer, Title IX University. Northeastern University particularly welcomes applications from minorities, women and persons with disabilities. Northeastern University is an E-Verify Employer.

All applicants must complete the following two steps:

1. Complete the Northeastern University application found at <http://www.northeastern.edu/cas/> (click on Faculty Positions on the lower left hand side of the page.)
2. Submit an application and at least three letters of recommendation at <http://www.mathjobs.org>. These letters should address the applicant's research accomplishments and supply evidence that the applicant has the ability to communicate and teach effectively.

Consideration of applications will begin on November 1, 2009. Complete applications received by November 1, 2009, will be guaranteed full consideration. Additional applications will be considered until the position is filled.
